NOTES

President's Message

Virgil Hollender
Jackson Chamber of Commerce

On behalf of the members of the Jackson Chamber of Commerce, thank you for using this valuable resource. You are making a wise choice. If you are an area business, resident or visitor this directory contains important information about not only businesses, but also local, county and state government services, schools, utilities and medical services.

There is a categorical listing of local businesses, services and providers who are members of the Jackson Chamber of Commerce. This includes businesses like accountants, attorneys, banks, contractors, electricians, plumbers, realtors and restaurants to name a few. Having this information in your hand lets you locate someone who meets your needs right in your own community. It makes sense to do business locally with a chamber member, they are your neighbors who have demonstrated a genuine concern for their community.

Please keep this directory in a convenient place at your home or business so you can reference it when the need arises. Don't forget you can also visit our website at www.jacksonchamber.com for any updates.

Mention that you located them through the Jackson Chamber of Commerce Directory and I'm sure you will get a warm welcome.
