GAMBLER RIDGE GOLF CLUB

Gambler Ridge Golf Club is located just a few minutes off exit 16 of Route 195. Once a sprawling farm located in Cream Ridge, New Jersey "Gambler Ridge" was built in 1985. This course has the "Ole Country" feel with a modern design as hills and ponds create an "iconic" flow for your golfing experience. The 18-hole par 71 course has ponds that will come into play on nine of the holes. With numerous trees, the seasons offer great scenery and picturesque views. The club also boasts a spacious driving range with 10 stalls and manicured practice green allowing you to get ready for the round of golf ahead of you.
