New or Used Shoes

Fundraiser for Girl Scout Gold Award Project

Gold Award Project is called "R.E.A.C.H. for a book"
(Reading Enhances A Child's Happiness)

The project aims to share Sydney's love for reading. She will install free little libraries in Jackson parks so children can borrow or swap books for free when taking a break from playing, provide books on elementary school busses for kids to read on their rides to and from school and she will start a story time program at the after school program at Switlik.

GOAL
2,500
Pairs of Shoes
